

Petition to honor 911 heroes & victims

To all NYS Senators and Assemblymen. Each of the signors of this petition have paid a small fee to validate their signature. This service validates that the credit card used exists at the address of the signor, and each Senator and Assemblyman of each signor is identified, during that process. Therefore, you can be certain that these are your constituents.

Legislation has been introduced in the Assembly Bill # A2134, of the legislature, and in Senate as S1939, honoring the fallen heroes and victims of the September 11, 2001 attack on our country. All of the undersigned ask that you bring this bill to a vote, and that you support it.
